

Solomon Gold plc

27 May 2008

Announcement to London Stock Exchange

Grant of Share Options

On 26 May 2008, the Company granted 400,000 share options, for nil consideration, to persons currently employed by the Company over the Company's ordinary shares of 1 pence each ("Ordinary Shares"). These share options were granted at exercise prices between 25 pence and 75 pence per Ordinary Share. The share options can be exercised up to 31 December 2010. The total number of share options (400,000) issued represents 0.9% of the current issued share capital.
